# ASSESS

Identify gaps in learning, generate tailored interventions to inform future teaching and create successful and confident learners with PiRA (Progress in Reading Assessment) for Scotland. All whilst assessing attainment, tracking termly progress and benchmarking reading performance against averages from thousands of pupils.

- ▶ Tailored to work alongside the Scottish Curriculum for Excellence
- ▶ Identify pupil strengths and weaknesses and access 'next steps' intervention activities
- ▶ Diagnostic gap analysis to track attainment and progress in all pupils, including those who are PEF funded
- ▶ Predict the performance of your P1 to P7 pupils using data that's been collected from thousands of children

Feature	How does this benefit you?
Three termly assessment papers from Summer P1 – P7	Identify strengths and weaknesses of pupils from term-to-term
Strands reflect Scottish literacy benchmarks: Understanding, Analysis and Evaluation and Tools for reading.	Enables reporting that aligns with the terminology used in the CfE literacy benchmarks, allowing quick follow-up actions based on outcomes
Tailored intervention maps for each termly paper, with suggested next-step resources for pupils and groups	Identify appropriate individual or small group intervention activities for the areas of weakness identified in your pupils' assessment results
Free online marksheets and reports	Save time identifying gaps, tracking PEF funded pupils and reporting on progress towards closing the attainment gap

# What do teachers have to say about us?

“The assessments are invaluable when making strategic and senior leadership decisions. They’ve made life so much easier.”

“We can’t tell you how many hours of work they’ve saved us over the past couple of years.”

“We would definitely recommend PiRA and have already done so!”

“Overall, the papers have been the most useful investment we’ve made.”

**MARK**

“MARK is a really powerful reporting tool. It has saved us a huge amount of time and given us access to a range of reports and analyses for individual children and groups that require monitoring.”

“Pupils who are more reluctant readers are growing in confidence when the online books are used as a focus for guided reading”

“It is the Reading Planet books that the children look out for time and time again. The whole approach is making our children more excited and interested in reading”

“Importantly, the scheme features modern day topics such as well-being and resilience, which we teach in other lessons, and makes topics such as science and problem-solving accessible to both boys and girls.”
